It is said that great personalities almost always accept voluntary suffering because of the suffering of people in general. This is considered the highest method of worshiping the Supreme Personality of Godhead, who is present in everyone's heart.

These qualities were recognized by Srila Prabhupada in you as a result of which **Two** important and most significant instructions in movement that you have received: Book Distribution and Temple construction and appointed as GBC and BBT trustee. Distributing the holy name to conditioned souls, preaching in an unfavorable environment and risky places, perfect management of the Society, and demonstrating exemplary behavior in practicing devotional service is unchecked! Under your expert supervision, distribution of books has been taken to the highest limits in the history of ISKCON! Where you goes to different temples, before the Marathon, to inspire everyone to distribute books.

Some of the important temple projects which have been completed under your untiring and dedicated efforts and directions include Sri Sri Radha-Parthasarathi temple in New Delhi , 'Heaven on Earth' project in Mumbai, Sri Jagannatha temple in Ludhiana on Balaram Jayanti, Sri Sri Radha-Govinda temple in Faridabad, Sri Sri Krishna-Balarama temple in (Punjabi Bagh) and Sri Jagannatha temple in Ghaziabad in February 2008 and currently ISKCON Kurukshetra and Rohini temple is going on.

This is just because of your constant effort, and the empowerment you got from srila prabhupada in order to expand the preaching activities of Chaitanya Mahaprabhu. and your faith in the words of prabhupada is reflected in your constant movement to almost every temple in order to encourage devotees to engage themselves in Sankirtana movement of Chaitanya Mahaprabhu Besides your health condition and recommended by doctors to not travel long distances . You also shower your mercy by accepting me as your disciple . Please bless me so that I could serve in the mission of prabhupada to my full extent and follow your footsteps without deviation.
